The country's leader in the ceramic tile industry for more than 50 years,

**Mariwasa Siam Ceramics, Inc.** is also offering the latest in-demand quality porcelain tile in the market – **Luxurio Porcelain Tiles**, which are available in leading home depots and tile shops nationwide.

With Luxurio, consumers can choose from among a wide range of timeless, modern, and even minimalist tile designs that are easy to clean, easy to maintain and durable that can withstand heavy foot traffic especially in commercial areas.

The company meticulously checks the quality of the Porcelain tiles before they serve the market.

It never stops there as the company provide after-sales service through technical officers and make sure that the product meets the customers' expectations. True to the company's top commitment in bringing customer satisfaction in every product that it serves.

The beauty and advantages of Luxurio is now becoming widely-popular and architects, designers and contractors are looking for it. Undoubtedly, Luxurio soon will be part of most Filipino homes and majority of project developments.
